Library card application form
for children under the age of 18.

Welcome to the library.

Here you can borrow books, periodicals, music, games and audio books, read newspapers, surf on the internet, browse our databases and much more.

All you need is a library card.

From the age of six you are permitted to have a library card of your own. Children under the age of 18 require the approval of a parent or guardian.

If you attach an e-mail address to your library card, a reminder will be sent to you a few days before your loan is due so that you may return the item or borrow it again before the deadline. You may include your own address or that of your parents.

Library loans.

The normal time for a loan is four weeks. Books which have a waiting list are borrowed for a shorter period of time. If a book hasn't been reserved by anyone else, you may borrow it again either by phone, by bibliotekuppsala.se or by bringing it into the library.

If a borrowed item isn't returned on time, a reminder will be sent out. If you lose a book, you are required to pay for it. A bill will be sent to you in such a case.

Please remember that you are responsible for items borrowed on your card. Never lend your library card to a friend!

I hereby approve of my child's application for a library card!
