Library card

Library card application form
for children under the age of 18

Welcome to the library

Here you can borrow books, periodicals, music, games and audio books, read newspapers, surf on the internet, browse our databases and much more.

All you need is a library card

From the age of six you are permitted to have a library card of your own. Children under the age of 18 require the approval of a parent or guardian.

If you attach an e-mail address to your library card, a reminder will be sent to you a few days before your loan is due so that you may return the item or borrow it again before the deadline. You may include your own address or that of your parents.

We process your personal data in accordance with applicable legislation. All employees who process the library's personal data have a duty of confidentiality, and have signed an assurance to confirm that this data will remain confidential.

If you no longer want a library card with us, you need to terminate your borrowing agreement. This is most easily done by sending an email to kundtjanst@bibliotekuppsala.se. Your personal information will remain until you terminate the agreement with Bibliotek Uppsala.

Terms of your library loan

The loan period is normally four weeks. Popular books may have a shorter loan period. Unless it has been reserved by another library member, you may renew your book by calling or visiting the library or via bibliotekuppsala.se.

If you do not return your borrowed item, we will send you a reminder. If you lose a book, you will need to replace it. We will then send you an invoice.

Remember that you are responsible for the items you borrow on your library card. Never lend your card to a friend!

When you turn 18

Once you have turned 18, you are personally responsible for your library card and the items you borrow. For example, if you are late in returning your borrowed item, the library will ask you to pay a fine. We will contact you and tell you more about it when you are 18!
